

**Wake Forest NCORP Research Base  
Bi-Weekly Broadcast  
August 16, 2019**

---

- **The Wake Forest NCORP 6<sup>th</sup> Annual meeting will be held November 14 – 16** in Greenville, SC at the Hyatt Regency. You may begin making your hotel reservations by clicking on the following link [https://www.hyatt.com/en-US/group-booking/GSPRG/G-NCOR\\_hyatt.com](https://www.hyatt.com/en-US/group-booking/GSPRG/G-NCOR_hyatt.com) a block of rooms have been reserved for this meeting. **Tip:** There is a Clemson/Wake football game this weekend so please be advised to grab your rooms early as all hotels in the area will fill fast. Registration link coming soon.
- **McKesson** – In Observance of Labor Day, McKesson’s Clinical Research Services **will be closed Monday, September 2, 2019**. They will resume regular business hours on Tuesday, September 3, 2019.
  - Please take this information into consideration when placing your orders **prior to Labor Day**.
    - Only non-refrigerated product will be shipped on **Friday, August 30**. Orders placed prior to 2pm EST will be delivered on **Tuesday, September 3**.
    - If refrigerated or temperature-controlled product is required before the holiday, orders must be placed by **Thursday, August 29** prior to 2pm EST.
  - Due to the influx of shipments around the holidays, carrier delays may occur. Please plan your orders accordingly.
  - If you have questions regarding the shipment schedule, please contact our Clinical Research Services team at 800-693-4906 or via email at [clinicalresearchservices@mckesson.com](mailto:clinicalresearchservices@mckesson.com)
- **WF 01213 Relax – Closed to Accrual** - Listed below are the study closure steps:
  - Email [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu). Subject: RELAX
  - Include site CTEP ID number
  - Data Management will quality check the PIDs (Patient Identifications) for your site and the corresponding data.
  - Audit will confirm there are no outstanding issues.
  - Sites will be given approval to proceed with contacting their local IRB to close the study.
  - Sites should keep all study documentation for five years and forward a copy of the local IRB letter confirming study closure to [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu).
  - Return all study devices and study-related supplies that are not currently in use to WF NCORP.

Please distribute this information to the appropriate personnel at participating affiliate/NCORP component institutions. The study closure procedures are included in the slide presentation from the final site call held on August 13. Download the slides from the WAKE NCORP website.

If you have any questions or would like more information on this study, email [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu).

- **WF 1802 PCW – Influence of Primary Treatment for Prostate Cancer on Work Experience**
  - This study was activated on June 4, 2019 and compares changes in work ability reported by African American and white prostate cancer survivors.
  - Our first site call was on July 16, 2019. The recording of this call and the slide presentation can be found on the WAKE NCORP website. You should be able to access this area by clicking on Dashboard then Videos and pick the link that is posted for this study.
  - The next site call will be scheduled for September 17, 2019 at 1:30PM EST.
  - The FAQ document has been updated and posted on the WAKE NCORP website.
  
- **WF 30917CD Telehealth – A Stepped-Care Telehealth Approach to Treat Distress in Rural Cancer Survivors**
  - Instructions for uploading audio files to the **Telehealth Research Study iShare** site are posted on the WAKE NCORP website and the Telehealth website. Sites and/or therapists should follow these instructions when uploading audio files of your interaction with study participants.
  - If you have any questions or would like more information on this study, email [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu).
  
- **Accruals as of August 14, 2019**
