### **ANNOUNCEMENTS**

**WF NCORP RB OFFICE CLOSURE:** Our office will be **closed Thursday, December 24 and Friday, December 25** in observance of the Christmas holiday. We will resume regular business hours on Monday, December 28, 2020. The office will be closed as well for **New Year's Day, Friday, January 1, 2021**. We will resume regular business hours on **Monday January 4, 2021**.

**Wake Forest Biospecimen Laboratory Closure:** The Wake Forest Biospecimen Laboratory will be **closed Thursday, December 24 and Friday, December 25** in observance of the Christmas holiday. The lab will be closed as well for **New Year's Day, Friday, January 1, 2021**.

- Please **do not ship** any samples on Wednesday, December 23, Thursday December 24 or Thursday, December 31 as there will be no one present in the lab to receive frozen samples the next day.
- Please do **not** ship samples on Fridays, as no one will be present to receive them in the lab on the weekends.

### **McKesson/Biologics Holiday Hours**

In observance of the Winter holidays, McKesson's Clinical Research Services will be **closed Thursday, December 24, 2020 and Friday, December 25, 2020**. They will resume regular business hours on Monday December 28, 2020.

Their regular business hours are Monday through Friday, 9am to 6pm ET.

Please take this information into consideration when placing your orders **prior to** the Christmas holiday.

- Only **non-refrigerated product** will be shipped on **Wednesday, December 23**. Orders placed prior to 2pm EST will be delivered on **Thursday, December 24**.
- If **refrigerated or temperature controlled product** is required before the holiday, orders must be placed by **Tuesday, December 22** prior to 2pm EST. Orders placed prior to 2pm EST will be delivered on **Wednesday, December 23**.

In observance of the New Year holiday, McKesson's Clinical Research Services will be **closed Friday, January 1, 2021**. They will resume regular business hours on **Monday January 4, 2021**.

Their regular business hours are Monday through Friday, 9am to 6pm ET.

Please take this information into consideration when placing your orders **prior to** the New Year holiday.

- Only non-refrigerated product will be shipped on **Thursday, December 31, 2020**. Orders placed prior to 2pm EST will be delivered on **Monday, January 4, 2021**.
- If refrigerated or temperature controlled product is required before the holiday, orders must be placed by **Wednesday, December 30** prior to 2pm EST. Orders placed prior to 2pm EST will be delivered on **Thursday, December 31**.

**Due to the influx of shipments around the holidays, carrier delays may occur. Please plan your orders accordingly.**

If you have any questions regarding the shipment schedule, please contact Clinical Research Services team at 1-800-693-4906 or via email at [clinicalresearchservices@mckesson.com](mailto:clinicalresearchservices@mckesson.com)

**LabCorp Holiday Information:** Please check with your local LabCorp pickup courier to see if local offices will be closed for the Christmas and/or New Year holiday or if there are any restrictions on shipping these weeks.

#### **WAKE NCORP WEBSITE:**

When accessing the Wake NCORP Website (<https://wakencorp.phs.wakehealth.edu/>) please use the Google Chrome browser (<https://www.google.com/chrome/>). Documents, guides, and training videos work best in this browser.

#### **STUDY UPDATES:**

- **WF-1901 IMPACTS – Internet-delivered Management of Pain Among Cancer Treatment Survivors Amendment 2, Protocol Version Date 08/01/2020**

Helpful Guide document updated; v12/10/2020. Changes made to DNA Specimen Collection, Section II. A PAXgene ccfDNA tube is no longer required and has been removed from the DNA specimen kit contents. The PAXgene Blood DNA tube and red top will remain in the kits that are supplied going forward.

The Helpful Guide and other supplemental resources are available on the [WAKENCORP](http://WAKENCORP) website. If there are any questions regarding the WF-1901 activation or site registration procedures, please contact [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu) Attn: WF-1901

- **WF 30917 Telehealth – A Stepped-Care Telehealth Approach to Treat Distress in Cancer Survivors**
  - Amendment 5 has been approved by the CIRB, awaiting approval from NCI DCCP. Anticipated activation is min-January.
  - There will a site call to January 11, 2021 at 4 PM EST to review the changes to the protocol in amendment 5. These changes include:

- Opening study up to non-rural participants
- Adjustments to the consenting process to make it more streamlined
- Study is limited to those participants living in the following states: California, Georgia, Illinois, Kansas, Michigan, Minnesota, Missouri, New Mexico, North Carolina, North Dakota, South Carolina, Tennessee, Virginia and Wisconsin.

If there are any questions regarding the WF-30917CD, please contact [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu).

- **Accruals as of December 17, 2020**
