Use this link to access the recording: <https://vimeo.com/721099276>

**Our next quarterly call is scheduled for August 31st at 3pm EDT.**

---

## **WF NCORP RB Holiday Hours**

The Wake Forest NCORP offices will be closed on Monday, July 4, 2022 for Independence Day. We will resume normal business hours on Tuesday, July 5, 2022.

---

## **McKesson Holiday Hours**

---

### **Clinical Research Services Closed July 4, 2022**

In observance of Independence Day, McKesson's Clinical Research Services will be closed **Monday, July 4, 2022**. We will resume regular business hours on Tuesday, July 5, 2022.

Our regular business hours are Monday through Friday, 9 am to 6 pm ET.

Please take this information into consideration when placing your orders **prior to Independence Day**.

- Only non-refrigerated product will be shipped on **Friday, July 1**. Orders placed prior to 2 pm ET will be delivered on **Tuesday, July 5**.
- If refrigerated or temperature-controlled product is required before the holiday, orders must be placed by **Thursday, June 30** prior to 2 pm ET.

Due to the influx of shipments around the holidays, carrier delays may occur. Please plan your orders accordingly.

If you have questions regarding the shipment schedule, please contact our Clinical Research Services team at 800.693.4906, or via email at [clinicalresearchservices@mckesson.com](mailto:clinicalresearchservices@mckesson.com).

We appreciate the opportunity to assist you and your patients.

Kind regards,  
Clinical Research Services team

## **NCI Requirement: NCORP Program Site Level Attributes Survey for CCDR Studies**

The enrolling affiliate/sub affiliate will complete the NCORP Program Site Level Attributes Survey and submit it to the CTSU Regulatory Office using the Regulatory Submission Portal located in the Regulatory section of the CTSU website. The form will collect various attributes about the enrolling affiliate/sub affiliate. All of the questions on the form must be complete and the distribution for the analytic cases question must equal 100%. (See form for directions). The form must be received and complete for site registration approval in RSS. The NCORP Program Site Level Attributes Survey requirement is submitted once for participation on all NCORP CCDR trials, but will expire two years after it is received. NCORP sites will need to resubmit the NCORP Program Site Level Attributes Survey to the CTSU in order to continue to enroll to CCDR trials. Please refer to your protocol for details about this requirement.

## 2022 Landscape Assessment

**UPDATE: The 2022 Landscape Assessment is available to all NCORP sites through June 30<sup>th</sup>. We are currently at 51% completion for surveys so please be sure to complete and submit any outstanding surveys for your affiliate/subaffiliate sites. For any questions about survey submissions or if you need a link re-sent to you, please email us at [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu). A PDF copy of the survey is available on the [Wake NCORP website](#) under Studies > Landscape > Study Documents & Forms.**

## Mark Your Calendar: CCCR Workshop

We invite all NCORP CCDR Leads and interested site investigators and staff to save the date for a half day CCDR workshop led by investigators from the iDAPT: Implementation and Informatics P50 Center. The focus will be on building capacity to participate in implementation science CCDR studies, including information on assessing your practice readiness and engaging stakeholders. The in-person workshop will be immediately following the Wake Forest NCORP Research Base Annual Meeting on the morning of October 12<sup>th</sup>. Interested participants can email [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu) to indicate their preliminary interest and receive more information when available.
