

STUDY MATTERS

January 5, 2023

Wake NCORP Website: <https://wakencorp.phs.wakehealth.edu/>

Wake Forest NCORP RB Annual Meeting Dates

CHANGE IN DATE: Due to a scheduling conflict, the 2023 Wake Forest NCORP Annual Meeting dates have been changed to **October 16-17, 2023**. This will still be a Monday/Tuesday meeting.

The location will still be The Renaissance in Asheville, NC.

Please make this adjustment on your calendar.

Thank you.

Upcoming Site Calls

If you would like to attend one of these calls, but did not receive an invitation, please email NCORP@wakehealth.edu

Click the button below the meeting to add it to your Outlook Calendar

****Please note that your calendar may not update automatically if changes are made.**

Please check these emails and our website for meeting updates.**

You can also join site calls from our [Wake NCORP website](#). Click the call in the "Upcoming Events" section on the Home page or through the Calendar.

Wake Forest NCORP Research Base Website

Please visit and register on our Wake Forest NCORP Research Base website

<https://wakencorp.phs.wakehealth.edu/>

Registering for an account will allow you to:

- Join site calls and other meetings from the Upcoming Events or Calendar sections
- Access study training materials
- View previous study meetings
- Download important study documents including training videos, study guides, and neurocognitive CRFs

Once registered, you must update your user profile to sign up for study-specific mailing lists and meeting announcements, indicate your NCORP Community site, add your user roles, and update your GCP for database access.

If you have any questions or need assistance with registration please email NCORP@wakehealth.edu

Please email 7NCORP@wakehealth.edu when shipping biospecimen samples to the NCORP Research Base Biospecimens lab (Studies WF-97415, WF-1801, and WF-1901). Include the FEDEX tracking number in your email so that misplaced samples can be tracked before they spoil. Please ship by "FedEx Priority Overnight" (please change this on the pre-printed shipping label if this is not selected).

Study Updates

WF-1802 - PCW - Influence of Primary Treatment for Prostate Cancer on Work Experience

Three strata are now full. The Higher Income AA stratum, Lower Income AA stratum and Higher Income white stratum are now full. Please make every effort to screen and approach individuals from the Lower Income white stratum. We only need 27 more to complete recruitment for this study! Many thanks for all your hard work!

WF-1804CD - AH-HA - Assessing Effectiveness and Implementation of an EHR Tool to Assess Heart Health Among Survivors

We are on pace to close AH-HA to accrual at the end of February, 2023. We encourage each site to make a final push to enroll up to 84 participants.

WF-1805CD - HN-STAR - Implementation and Effectiveness Trial of HN-STAR

We are still looking for a few more sites to add to this study. Please email NCORP@wakehealth.edu if you may be interested.

WF-97415 - UPBEAT - Understanding and Predicting Breast Cancer Events after Treatment

Please update the shipping address on all RT DICOM Image CDs to:

Dr. Greg Hundley (C/O Stacey Belton)
Wake Forest Health Sciences
Department of Internal Medicine/Cardiology
Medical Center Blvd.
Winston Salem, NC 27157-1045
Phone: (336) 713-7085

Email shipping information including date sent, method, and tracking number to NCORP@wakehealth.edu so we can ensure proper delivery.

If you would like to send these image files by file transfer or other method please contact Ricardo Peral (rperal@wakehealth.edu)
