Wake NCORP Website: <https://wakencorp.phs.wakehealth.edu/>

2024 Wake Forest NCORP Research Base Annual Meeting

Register by Monday, October 14, 2024!

October 21 – 23, 2024

At the Marriott Myrtle Beach Resort & Spa at Grande Dunes in Myrtle Beach, SC

- The Health Equity Luncheon has reached its limited capacity of 60.
- If you plan to attend the half day, Just Ask™ Training on Wednesday, October 23, you must register as space is limited to 60.
- Once you register, you will be sent a confirmation email.
- The block rate for a hotel room at the Grande Dunes has expired. You will need to contact the hotel directly at (843) 449-8880 in order to make your hotel reservations.

This meeting will be held in person only this year and the registration link will be posted on our website (and below) for members only.

[Click here to register](#)

*****REMINDER*****

Current Good Clinical Practice (GCP) certification is required for access to our REDCap database. GCP certification dates in RSS always default to the 1st of the expiration month. If you receive a notice from REDCap about your account expiring this is most likely due to an expiring GCP certification. You can upload new certificates to our website (<https://wakencorp.phs.wakehealth.edu/>) or you can email them to NCORP@wakehealth.edu.

Upcoming Site Calls

If you haven't already added the meeting to your calendar, please add these meetings to your calendar.

****Please note that your calendar will not update automatically if changes are made. Please check these emails and our website for meeting updates****

You can also join site calls from our [Wake NCORP website](#). Click the call in the "Upcoming Events" section on the Home page or through the Calendar. You must be a registered user to join from the website.

If you are having trouble joining a call or have any other issues please email NCORP@wakehealth.edu

WF-2202- SHINE - Optimizing Psychosocial Intervention for Breast Cancer-related Sexual Morbidity: The Sexual Health and Intimacy Education (SHINE) Trial

October 9, 2:00 - 3:00PM ET

Attention: Please note changes to current meetings and new off cycle site call scheduled for the M&M Study.

WF-1806- M&M - Myopenia and Mechanisms of Chemotherapy Toxicity in Older Adults with Colorectal Cancer

The following M&M meeting dates are cancelled; please remove from your calendar as they will not update when you add the meeting above.

**October 22, 2:30 – 3:00 PM ET
December 24, 2:30 – 3:00 PM ET**

Study Updates

(NEW!) WF-2303CD - HRSN - Understanding and Enhancing Health-related Social Needs (HRSN) Screening Among Community Oncology Practices

Last chance to be considered for participation in this study! The *Practice Interest Form* must be completed **by October 4** to be eligible.

The Introductory Webinar and slides have been posted to our [WAKENCORP](#) website.

All NCORP Administrators and CCOR Leads were sent a *Practice Recruitment Email* on August 27 that includes a link to the *Practice Interest Form*.

If you did not receive the *Practice Interest Form* link, and are interested in being considered for the study, please contact NCORP@wakehealth.edu; Attn: WF-2303CD.

(NEW!) WF-2201 HYPOGRYPHE - Hypofractionated Radiotherapy vs Single Fraction Radiosurgery for Brain Metastasis Patients on Immunotherapy

NEW SPANISH RECRUITMENT DOCUMENTS POSTED

The Spanish versions of the following recruitment documents were posted on CTSU **September 24, 2024**.

- **Recruitment Brochure** (version 1/19/24): Spanish
- **Recruitment Flyer** (version 01/19/24): Spanish
- **Recruitment Letter** (version 01/19/24): Spanish
- **Study Summary** (version 04/15/24): Spanish

Note: All other documents remain in force.

If there are any questions, please contact NCORP@wakehealth.edu; Attn: WF-2201.

(NEW!) WF-2301CD - CONNECT - Multi-site Community Oncology Planning for the CONNECT Intervention Targeting Lung Cancer Caregivers

Key Tips

A *Key Tips* document has been created and posted to our [WAKENCORP](#) website. This should be helpful in guiding your process of choosing which resources to upload to the CONNECT intervention tool.

Helpful Guide

An updated version of *The Helpful Guide* (v09.24.24) was posted to our [WAKENCORP](#) website.

Onboarding Updates

- Invited sites must return the Study Site Role Log and Tablet Request Form prior to receiving a SOTE letter.
- Once these forms are received and reviewed, your SOTE letter will be sent and then you have 45 days from the date of your SOTE letter to enter your community resources into the CONNECT intervention tool.
- Once your community resources are entered into the CONNECT intervention tool, we will review them and contact you to set up an individual site call.
- Following the site call, and once resources are finalized, we will email you final notification that your site is open to enrollment.
- Your Local Practice Referral Coordinator will be sent an email with a link to the “*Start-up Time and Processes*” survey. **This survey must be completed prior to your first participant accrual.**
- Please email NCORP@wakehealth.edu with any questions.

WF-2202- SHINE - Optimizing Psychosocial Intervention for Breast Cancer-related Sexual Morbidity: The Sexual Health and Intimacy Education (SHINE) Trial

Contact Attempts for Follow up Questionnaires

Many enrolled participants are now in window for their 12-week questionnaire. The survey link will be sent out automatically by REDCap however, participants should be contacted by site staff on days 4, 7, 14, 21, 28, and 35 (+/- 2 days) to encourage them to complete the questionnaire (per Section 7.4 of the protocol). Please be sure to document all contact attempts in REDCap.

Please email NCORP@wakehealth.edu with any questions.

Wake Forest NCORP Research Base Website

Reminder: Additional resources, **which are not CIRB approved**, are maintained on our Wake Forest NCORP RB website and **are not available on CTSU**. Note, these resources include a **Helpful Guide** for each study, which provides guidelines for the study team, as well as other study instructions.

Remember to update your profile to include any new studies you may be involved in

We use this information for targeting email communications and surveys.

<https://wakencorp.phs.wakehealth.edu/>

Registering for an account will allow you to:

- Join site calls and other meetings from the Upcoming Events or Calendar sections
- Access study training materials
- View previous study meetings
- Download important study documents including training videos, study guides, and neurocognitive CRFs

Once registered, you must update your user profile to sign up for study-specific mailing lists and meeting announcements, indicate your NCORP Community site, add your user roles, and update your GCP for database access.

If you have any questions or need assistance with registration, please email NCORP@wakehealth.edu.
