### ATTENTION PLEASE!

**Current Good Clinical Practice (GCP) certification is required for access to our REDCap database.** GCP certification dates in RSS always default to the 1st of the expiration month. **If you receive a notice from REDCap about your account expiring this is most likely due to an expiring GCP certification.** You

can upload new certificates to our website  
(<https://wakencorp.phs.wakehealth.edu/>) or you can email them  
to [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu).

## 2025 Wake Forest NCORP Research Base Annual Meeting

October 6-8, 2025  
Renaissance Hotel, Asheville, NC

**Registration is Now Open!**

- Once you register, you will be sent a confirmation email. Within this email is the link to the hotel for room reservations.
- **You must register for the meeting in order to receive the hotel reservation link.**

This meeting will be held *in person only* this year and the registration link will be posted on our website (and below) for members only.

**Click here to register:** <https://redcap.link/WFNCORPRB.2025AnnualMeeting>

**Our Keynote Speaker will be Shellie Ellis, PhD.** Dr. Ellis is a faculty member at the University of Wisconsin and is the Director of the Dissemination & Implementation Launchpad. She has implemented screening and treatment interventions in various primary and specialty settings, spanning federally qualified health centers, hospital-owned outpatient clinics, and private practices in rural, urban, and suburban settings. She is a health services researcher and implementation scientist. She has expertise in quantitative and qualitative methodologies and decades of experience assessing behavioral determinants to design effective and efficient implementation strategies.

**Information about Wednesday Half-Day Sessions (you may register for only one):**

**WF-2401-STEPS BC**

***Study specific training for coordinators; includes overview of study workflow and hands-on guidance for required patient physical assessments.***

**Half-Day New Investigator Workshop**

***This half-day new investigator workshop is open to all interested in learning more about how studies are developed through the WF NCORP RB and how ideas evolve with feedback from multiple perspectives. This session will focus on enhancing understanding of NCORP operations/support, feasibility assessment, and approval processes, with breakout sessions offering opportunities for feedback on new potential NCORP study ideas.***

## **(NEW!) WF-1901- IMPACTS - Internet Delivered Management of Pain Among Cancer Treatment Survivors**

### **Reopening for Accrual - Selected Sites\*\* Effective August 7, 2025**

We are pleased to announce that **WF1901 IMPACTS** will reopen for accrual effective **08/07/2025** at selected sites. These selected sites have demonstrated continued commitment to enrollment goals and have played a key role in shaping amendments that improve study workflows and recruitment efforts. We sincerely appreciate their dedication and collaboration.

Selected site administrators will be contacted regarding their continued participation and support. For sites that have not enrolled participants within the past year, leadership has made the difficult decision to conclude their involvement with WF1901 by ending their SOTE letters effective **08/7/2025** in CTSU. This decision reflects our desire to be respectful of site capacity.

#### **Monthly Site Calls-**

As part of the relaunch, we will initiate monthly site calls facilitated by NCORP staff and study PIs. These calls will replace the bi-monthly newsletters and serve as a dedicated space to discuss recruitment challenges, share updates, and collaborate on strategies to enhance enrollment. If you have any questions or concerns, please contact [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu), **Attn: Relaunching WF1901 IMPACTS**.

Thank you again for your continued support and partnership.

**(NEW!)WF-2301CD- CONNECT - Multi-site Community  
Oncology Planning for the CONNECT Intervention  
Targeting Lung Cancer Caregivers**

We greatly appreciate everyone's efforts on this study! Please continue to focus on screenings and enrollments, as we currently have 67 *dyads* enrolled out of our goal of 120. We are striving to reach our enrollment goal by the end of December, which is just a few short months away. **Remember that each site has a minimum goal of 10 enrollments, but sites are able and encouraged to enroll beyond 10.**

An updated FAQ (v.08.13.2025) has been posted to our website.

Feel free to reach out to [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu) with any questions or challenges you may be facing.

**(NEW!)**WF2304-A172401 - COSMIC - Complementary Options for Symptom Management In Cancer (COSMIC): Assessing Benefits and Harms of Cannabis and Cannabinoid Use Among a Cohort of Cancer Patients Treated in Community Oncology Clinics

**Reminder for Study Coordinators!** We've implemented a gentle reminder email in REDCap that will prompt you to follow up with participants who have missed a monthly survey. While participants are still eligible to remain in the study if a survey is missed, this message serves as a friendly nudge to help them stay engaged and on track.

---

**(NEW!)**WF-2403 - COACH-APP - Building Capacity within the NCORP Network through an Education and Mentorship Intervention for Advanced Practice Providers (COACH-APP)

We are still accepting *Study Interest Surveys* for this study and are getting close to enrolling our first participants! As a reminder, you may have more than one APP Practice participate in this study within your NCORP Community or Minority Underserved Community Site, but we encourage you to start with no more than 2 to allow for an opportunity for all Community Sites to participate initially.

Please email [NCORP@wakehealth.edu](mailto:NCORP@wakehealth.edu) with any questions about this study!
