Wake NCORP Website: <https://wakencorp.phs.wakehealth.edu/>

Current Good Clinical Practice (GCP) certification is required for access to our REDCap database. GCP certification dates in RSS always default to the 1st of the expiration month. **If you receive a notice from REDCap about your account expiring this is most likely due to an expiring GCP certification.**

You can upload new certificates to our website (<https://wakencorp.phs.wakehealth.edu/>) or you can email them to NCORP@wakehealth.edu.

OPEN CALL for Committee Members

The Wake Forest NCORP Research Base is soliciting applications for NCORP Community Site representatives for the Cancer Control, Cancer Care Delivery Research (CCDR) Scientific Committees and the Community Engagement Core Committee.

Community site representation on all committees has been expanded. Responsibilities for members will include:

- Attend committee meetings (monthly for the scientific committees and quarterly for the Community Engagement Core)
- Provide feedback about studies early and throughout the study lifecycle to improve feasibility and alignment of studies with community site priorities and provide feedback on implementation challenges
- Provide scientific and feasibility review of new concepts/protocols
- Oversee active studies, including accrual progress
- Periodically review and make recommendations about committee priorities and activities

- Act as a liaison between NCORP community sites/investigators and the Wake Forest NCORP Research Base

We are looking for committee members who bring their expertise within NCORP (PIs or scientific leaders, CRAs, research nursing, and Administrators), their scientific background and populations with whom they engage. Interested individuals should apply using the REDCap link below. The application will include a brief statement (5-10 sentences) on your prior involvement with the Wake Forest NCORP Research Base, experience with cancer control, cancer care delivery research, and/or community engagement research. You will also be asked to upload a CV or biosketch. The initial committee term will be 2 years. **The due date to apply is October 20, 2025.** Selection of committee members will take place in November and committees will begin meetings in January 2026.

Study Updates

BLOOD SPECIMEN SHIPPING ALERT – FedEx Account Invalid

Be advised that the account number on the pre-printed FedEx Airbills is no longer valid for the **WF-1806**, **WF-1901** and **WF-2201** studies. These airbills are currently included in the specimen kits that you may have in stock. Our Biospecimen Laboratory is now supplying airbills (via email) upon request.

Please email 7NCORP@wakehealth.edu or call 336-716-2581 and include the **kit#** in your communication.

WF-2301CD- CONNECT - Multi-site Community Oncology Planning for the CONNECT Intervention Targeting Lung Cancer Caregivers

We greatly appreciate everyone's efforts on this study! Please continue to focus on screenings and enrollments, as we currently have 76 *dyads* enrolled out of our goal of 120. We are striving to reach our enrollment goal by the end of December, which is just a few short months away. **Remember that each site has a minimum goal of 10 enrollments, but sites are able and encouraged to enroll beyond 10.**

Please remember to complete the Caregiver and Patient Status Forms in REDCap

once they have completed their 24 week surveys or if they have withdrawn from the study.

Feel free to reach out to NCORP@wakehealth.edu with any questions or challenges you may be facing.
