Current Good Clinical Practice (GCP) certification is required for access to our REDCap database. GCP certification dates in RSS always default to the 1st of the expiration month. **If you receive a notice from REDCap about your account expiring this is most likely due to an expiring GCP certification.**

You can upload new certificates to our website (<https://wakencorp.phs.wakehealth.edu/>) or you can email them to NCORP@wfusm.edu.

We greatly appreciate everyone's hard work on this study! **Remember that each site has a minimum goal of 10 enrollments, but sites are able and encouraged to enroll beyond 10.**
