

STUDY MATTERS

November 6, 2025

Wake NCORP Website: <https://wakencorp.phs.wakehealth.edu/>

Current Good Clinical Practice (GCP) certification is required for access to our REDCap database. GCP certification dates in RSS always default to the 1st of the expiration month. **If you receive a notice from REDCap about your account expiring this is most likely due to an expiring GCP certification.**

You can upload new certificates to our website (<https://wakencorp.phs.wakehealth.edu/>) or you can email them to NCORP@wfusm.edu.

Upcoming Site Calls

****Please note that your calendar may not update automatically if changes are made at a later date. Please check these emails and our website for meeting updates.****

You can also join site calls from our [Wake NCORP website](#). Click the call in the "Upcoming Events" section on the Home page or through the Calendar. You must be a registered user to join from the website.

If you are having trouble joining a call or have any other issues please email NCORP@wfusm.edu

WF2304-A172401-COSMIC – Complementary Options for Symptom Management In Cancer (COSMIC): Assessing Benefits and Harms of Cannabis and Cannabinoid Use Among a Cohort of Cancer Patients Treated in Community Oncology Clinics

**November 10, 2025
3 PM ET**

Study Updates

(NEW!)**WF-1901 - IMPACTS - Internet-delivered Management of Pain Among Cancer Treatment Survivors (IMPACTS)**

We're reaching out to encourage renewed momentum for **WF 1901 IMPACTS** which is currently experiencing lower-than-expected enrollment. If your site is looking to meet enrollment goals for grant renewal, this is a great time to re-engage!

Even enrolling just one or two participants can make a meaningful impact, not only for the study's progress but also for your site's contribution and visibility.

Here's how we can help:

- Quick refresher on eligibility or workflows
- Support with outreach strategies
- Real-time troubleshooting or Q&A

Let's work together. If you have any questions or need support, we're here for you.

(NEW!)WF-2403 COACH-APP - Building Capacity within the NCORP Network through an Education and Mentorship Intervention for Advanced Practice Providers (COACH-APP)

We are still actively recruiting APPs for this study!

As a reminder, we are looking for Advanced Practice Providers (APPs), including **nurse practitioners (NP) and physician assistances (PA) regardless of their sub-specialty**, employed at NCORP practice providing care to cancer patients potentially eligible for NCORP and/or NCTN trials who are registered as NPIVR within the NCI RCR at time of study enrollment but have not served as a site PI for an NCORP trial.

If you have any APPs interested in participating, please email NCORP@wfusm.edu for more information on how to enroll them to this study!

Recruitment Flyer available for providers:

WF-2301CD- CONNECT - Multi-site Community Oncology Planning for the CONNECT Intervention Targeting Lung Cancer Caregivers

Help us reach the finish line!! We currently have **96** dyads enrolled out of our goal of 120. Per NCI guidance, we need to complete enrollment by the end of December. Please make every effort to screen and enroll as many dyads as possible over the next 8 weeks. We greatly appreciate everyone's hard work on this study! **Remember that each site has a minimum goal of 10 enrollments, but sites are able and encouraged to enroll beyond 10.**

Feel free to reach out to NCORP@wfusm.edu with any questions or challenges you may be facing.

Wake Forest NCORP Research Base Website

Reminder: Additional resources, **which are not CIRB approved**, are maintained on our Wake Forest NCORP RB website and **are not available on CTSU**. Note, these resources include a ***Helpful Guide*** for each study, which provides guidelines for the study team, as well as other study instructions.

Remember to update your profile to include any new studies you may be involved in

We use this information for targeting email communications and surveys.

<https://wakencorp.phs.wakehealth.edu/>

Registering for an account will allow you to:

- Join site calls and other meetings from the Upcoming Events or Calendar sections
- Access study training materials
- View previous study meetings
- Download important study documents including training videos, study guides, and neurocognitive CRFs

Once registered, you must update your user profile to sign up for study-specific mailing lists and meeting announcements, indicate your NCORP Community site, add your user roles, and update your GCP for database access.

If you have any questions or need assistance with registration, please email NCORP@wfusm.edu.

Accruals as of November 5, 2025

Open Studies	Name	Enrolled (Patients)	Change in Past 2 Weeks	Target (Patients)	Enrolled (non-patients)	Target (non-patients)
