Thanksgiving Office Hours

WAKE FOREST NCORP RB HOLIDAY HOURS – Office Closed

The Wake Forest NCORP Research Base offices will be closed for Thanksgiving on **Thursday, November 27, 2025 and Friday, November 28, 2025**. We will resume regular business hours on Monday, December 1, 2025. Enjoy the time with your families.

NCORP BIOSPECIMEN LAB CLOSURE:

Our lab will be closed **Thursday, November 27 and Friday, November 28** in observance of the Thanksgiving holiday. Please do not ship any specimens on Wednesday, November 26, 2025 for a Thursday arrival. Specimens will be accepted again on Monday, December 1, 2025.

Current Good Clinical Practice (GCP) certification is required for access to our REDCap database. GCP certification dates in RSS always default to the 1st of the expiration month. **If you receive a notice from REDCap about your account expiring this is most likely due to an expiring GCP certification.**

You can upload new certificates to our website (<https://wakencorp.phs.wakehealth.edu/>) or you can email them to NCORP@wfusm.edu.

Upcoming Site Calls

****Please note that your calendar may not update automatically if changes are made at a later date. Please check these emails and our website for meeting updates.****

You can also join site calls from our [Wake NCORP website](#). Click the call in the "Upcoming Events" section on the Home page or through the Calendar. You must be a registered user to join from the website.

If you are having trouble joining a call or have any other issues please email NCORP@wfusm.edu

(NEW!) WF-1901 - IMPACTS - Internet-delivered Management of Pain Among Cancer Treatment Survivors (IMPACTS)

We apologize for the interruption during the site call on 11/12/2025. The call was not canceled; however, it was inadvertently scheduled under an email address prior to our migration, which prevented access. The site call slide deck is now available on the [Wake Forest Research Base website](#). We sincerely apologize for any inconvenience this may have caused and appreciate your understanding, as we know your time is valuable.

We recommend removing all old calendar invites and using the link below to add the updated meeting invite to your calendar. **The next site call is Wednesday, January 12, 2026 at 2:30 PM.**

WF-2403 COACH-APP - Building Capacity within the NCORP Network through an Education and Mentorship Intervention for Advanced Practice Providers (COACH-APP)

We are still actively recruiting APPs for this study!

As a reminder, we are looking for Advanced Practice Providers (APPs), including **nurse practitioners (NP) and physician assistants (PA) regardless of their sub-specialty**, employed at NCORP practice providing care to cancer patients potentially eligible for NCORP and/or NCTN trials who are registered as NPIVR within the NCI RCR at time of study enrollment but have not served as a site PI for an NCORP trial.

If you have any APPs interested in participating, please email NCORP@wfusm.edu for more information on how to enroll them to this study!

Recruitment Flyer available for providers:

WF-2301CD- CONNECT - Multi-site Community Oncology Planning for the CONNECT Intervention Targeting Lung Cancer Caregivers

Help us reach the finish line!! We currently have **98** dyads enrolled out of our goal of 120. Per NCI guidance, we need to complete enrollment by the end of December. Please make every effort to screen and enroll as many dyads as possible over the next 6 weeks. We greatly appreciate everyone's hard work on this study! **Remember that each site has a minimum goal of 10 enrollments, but sites are able and encouraged to enroll beyond 10.**

Feel free to reach out to NCORP@wfusm.edu with any questions or challenges you may be facing.
