

STUDY MATTERS

January 15, 2026

Wake NCORP Website: <https://wakencorp.phs.wakehealth.edu/>

Wake Forest NCORP RB Office Closed

The Wake Forest NCORP Research Base office will be closed on **Monday, January 19, 2026**. We will resume normal hours on **Tuesday, January 20, 2026**.

Current Good Clinical Practice (GCP) certification is required for access to our REDCap database. GCP certification dates in RSS always default to the 1st of the expiration month. **If you receive a notice from REDCap about your**

account expiring this is most likely due to an expiring GCP certification.

You can upload new certificates to our website
(<https://wakencorp.phs.wakehealth.edu/>) or you can email them
to NCORP@wfusm.edu.

Study Updates

(NEW!)WF-2502CD - STOP-VTE - Surgical Thromboprophylaxis Practices in Oncology Patients within the NCORP Network (STOP-VTE)

Please join us for our first site call on **January 28 at 2:30 PM ET**. Use the link in the Upcoming Site Calls section of this email to add the invite to your calendar.

REMINDER: You can add yourself to study-specific email lists by updating your profile on our website: <https://wakencorp.phs.wakehealth.edu/>. Be sure you never miss an email update for this study!

(NEW!)WF-2403 COACH-APP - Building Capacity within the NCORP Network through an Education and Mentorship Intervention for Advanced Practice Providers (COACH-APP)

WE WANT YOUR APPs FOR COACH-APP!

We have enrolled **19** of our goal of 70 APPs for this study. Please engage the Advanced Practice Providers at your NCORP site to see if they are interested in participating!

We are looking for APPs:

- That provide care to oncology patients at NCORP practices that are already recruiting to NCI sponsored trials
- That can dedicate 2 hours/month (30 mins per week max) to participate in study activities during the study duration (over a 12-month period).

A recruitment flyer is available on CTSU to distribute or post at your site.

Please email us with any questions at NCORP@wfusm.edu.

(NEW!)WF-2301CD - CONNECT - Multi-site Community Oncology Planning for the CONNECT Intervention Targeting Lung Cancer Caregivers

****Closed to Enrollment****
Effective December 31, 2025 @ 11:59 pm

We have closed enrollment for the WF-2301CD CONNECT study.

Thank you for helping us enroll to this important study!

If there are any questions regarding WF-2301CD, please contact us at NCORP@wfusm.edu; Attn: WF-2301CD.

WF-2501CD - PGA - Practical Delivery of Geriatric Assessment in Community Oncology Settings

Aligned with PGA (WF-2501CD) Protocol Version Date 10/27/2025.

The following recruitment documents were posted to the CTSU website on 12/29/2025.

Recruitment Flyer (Patient) – explains the PGA study. Can be posted in exam rooms, given to the participant while in clinic or mailed to the participant. QR code can be scanned to obtain more information about the study on the cancer.gov

website.

SHARE YOUR THOUGHTS

On how cancer clinics can better care for older adults using a special check-up called the Practical Geriatric Assessment

PGA
PRACTICAL GERIATRIC ASSESSMENT

You are eligible for the interview if you:

- are **65 years or older** and
- began a new cancer treatment in the last 12 months. This can be chemotherapy, immunotherapy, or targeted therapy.

OR

- You cared for a patient who is 65 years or older who began a new cancer treatment in the last 12 months.

You must be able to understand and speak English.

Participants will receive a \$75 gift card for completing the 1 hour interview.

To learn more scan the QR Code with your smart phone camera or contact us...

This study is a Wake Forest NCI/NIH Research Best Study (WFS-2020020) supported by public funding from the National Cancer Institute (NCI), part of the National Institutes of Health (NIH).
WFS-2020020 v1.0.10.2020

NCI
National Cancer Institute
National Institutes of Health

Recruitment Flyer (Provider/Staff) – explains the PGA study. Can be given to providers by research staff. QR code can be scanned to obtain more information about the study on the cancer.gov website.

Regulatory requirements to activate this study can be found in the protocol on the CTSU website.

If there are any questions regarding the WF-2501CD activation, please contact NCORP@wfusm.edu; Attn: WF-2501CD

Wake Forest NCORP Research Base Website

Reminder: Additional resources, **which are not CIRB approved**, are maintained on our Wake Forest NCORP RB website and **are not available on CTSU**. Note, these resources include a **Helpful Guide** for each study, which provides guidelines for the study team, as well as other study instructions.

Remember to update your profile to include any new studies you may be involved in

We use this information for targeting email communications and surveys.

<https://wakencorp.phs.wakehealth.edu/>

Registering for an account will allow you to:

- Join site calls and other meetings from the Upcoming Events or Calendar sections
- Access study training materials
- View previous study meetings
- Download important study documents including training videos, study guides, and neurocognitive CRFs

Once registered, you must update your user profile to sign up for study-specific mailing lists and meeting announcements, indicate your NCORP Community site, add your user roles, and update your GCP for database access.

If you have any questions or need assistance with registration, please email NCORP@wfusm.edu.
