

STUDY MATTERS

April 23, 2026

Wake NCORP Website: <https://wakencorp.phs.wakehealth.edu/>

Current Good Clinical Practice (GCP) certification is required for access to our REDCap database. GCP certification dates in RSS always default to the 1st of the expiration month. **If you receive a notice from REDCap about your account expiring this is most likely due to an expiring GCP certification.**

You can upload new certificates to our website (<https://wakencorp.phs.wakehealth.edu/>) or you can email them to NCORP@wfusm.edu.

Upcoming Site Calls & Office Hours

You can also join site calls from our [Wake NCORP website](#). Click the call in the "Upcoming Events" section on the Home page or through the Calendar. You must be a registered user to join from the website.

If you are having trouble joining a call or have any other issues please email NCORP@wfusm.edu

****Please note that your calendar may not update automatically if changes are made at a later date.**

Study Updates

(NEW!)WF2304-A172401 - COSMIC - Complementary Options for Symptom Management In Cancer: Assessing Benefits and Harms of Cannabis and Cannabinoid Use Among a Cohort of Cancer Patients Treated in Community Oncology Clinics

WF2304-A172401 COSMIC – New Spanish-language Surveys Now Available in REDCap

Aligned with (English) COSMIC (WF2304-A172401) Amendment 3, Protocol Version Date 04/01/2025 and Amendment 4 Protocol Version Date 8/1/2025

Updates to the following Spanish-language surveys have been approved by the CIRB and are available via REDCap on **April 22, 2026**.

- Spanish Cover Page and Timetable dated **04/01/25**
- Spanish PROMIS-29 Profile v2.0 dated **04/01/25**
- Spanish Experiences of Cancer Related Symptoms dated **04/01/25**
- Spanish Cannabis and Cannabinoid Use dated **04/01/25**

- Spanish CUDIT-R dated **04/01/25**
- Spanish Other Substance Use (Questionnaire) dated **04/01/25**
- Spanish Product Image dated **04/01/25**
- Spanish Self-Reported Screening Survey dated **08/01/25**
- Spanish Notifications and Emails dated **08/01/25**

Note: *If your site is enrolling Spanish-speaking participants, the Spanish language surveys will be implemented in REDCap on the day of this Broadcast.*

Regulatory requirements to activate this study can be found in the protocol on the CTSU website.

If there are any questions regarding WF2304-A172401 contact NCORP@wfulm.edu Attn: WF2304-A172401.

To request printed copies of recruitment materials, please use the WF2304-A172401 Recruitment Request survey: <https://redcap.link/WF2304-A172401.RecruitmentMaterials>

(NEW!)WF-2402CD - CORRECT - Collaborative Oncology between Radiologists and Radiation Oncologists for the Evaluation of Contoured Targets

We need your help!

We have confirmed the four sites needed to participate in our pilot study; however, we are still looking for **more sites/Radiologists/Radiation Oncologists** to complete our **Provider Interest Survey** to be eligible for interviews.

Please complete this link to begin the process:

<https://redcap.school.wakehealth.edu/surveys/?s=7MHCR8AKTNP4JC4>.

Please contact NCORP@wfusm.edu with any questions.

WF-2303CD - HRSN - Understanding and Enhancing Health-related Social Needs (HRSN) Screening Among Community Oncology Practices

AMENDMENT 4 ACTIVATION

HRSN (WF-2303CD) Amendment 4, Protocol Version Date 03/03/2026 has been activated.

Note: WF-2303CD is not open to onboarding new sites. This update pertains to those sites who are currently active.

The WF NCORP Research Base study entitled **Understanding and Enhancing Health-related Social Needs (HRSN) Screening Among Community Oncology Practices** has been activated. The protocol and related documents were released on April 8, 2026.

The changes and documents within this amendment must be implemented within 30 days of this posting.

Changes with this amendment include:

1. Updated the Part 2 Clinic Key Informant Interview Guide.
2. Updated protocol cover page, protocol version date and protocol history table, and NCORP email address and CTSU language.

WF-2303CD Document Access:

- The protocol documents are available on the [CTSU](#) website.

Regulatory requirements to activate this study can be found in the protocol on the CTSU website.

If there are any questions regarding the WF-2303CD, please contact NCORP@wfusm.edu; Attn: WF-2303CD

WF-2201 - HYPOGRYPHE - Hypofractionated Radiotherapy vs Single Fraction Radiosurgery for Brain Metastasis Patients on Immunotherapy

**CLOSED TO ENROLLMENT
Effective April 3, 2026**

We have closed enrollment for the **WF-2201 HYPOGRYPHE** study.

We would like to extend our gratitude to all NCORP community sites that have enrolled participants to this study. Current participants should continue treatment and **follow-up per the current protocol** specifications.

Please let us know if you have questions.

NCORP@wfusm.edu; Attn WF-2201

(NEW!)WF-1806 - M&M - Myopenia and Mechanisms of Chemotherapy Toxicity in Older Adults with Colorectal Cancer

NEW SPANISH DOCUMENT POSTED

Aligns with WF-1806 (M&M) Amendment 12, Protocol Version Date

02/13/2026, Released on 03/27/2026:

The Spanish language version of the following document was posted on CTSU on **April 10, 2026:**

Consent Form, (pvd 02/13/2026): Spanish

Please implement this version within 30 days of this post

Previously approved Spanish versions of the patient assessments have not been updated with this amendment and will remain in force.

1. CARE Questionnaire_v05.01.20_Spanish
2. Demographic and Health Behaviors_v05.01.20_Spanish
3. Hand-Grip Physical Test_v05.01.20_Spanish
4. Life-Space Survey_v05.01.20_Spanish
5. Short Physical Performance Battery Protocol_v05.01.20_Spanish
6. NCI PRO-CTCAE Items_v05.01.20_Spanish
7. GP5_v04.01.21_Spanish
8. Was It Worth It Questionnaire_v11.08.21_Spanish

NEW AMENDMENT ACTIVATION

WF-1806 (M&M) Amendment 12, Protocol Version Date 02/13/2026, Release Date 03/27/2026:

The WF-1806, *Myopenia and Mechanisms of Chemotherapy Toxicity in Older Adults with Colorectal Cancer (M&M)* study has been amended. The amended protocol and related documents were released on **Friday, March 27, 2026.**

The changes and documents within this amendment must be implemented within 30 days of this posting.

Changes with Amendment 12 include:

1. Updated NCORP email address throughout all protocol documents and funding sheet.
2. **We have updated the patient age stratification to allow for more participants to be enrolled to the 60-74 year old stratum.**
3. Updated protocol cover page.
4. Clarified study sponsor language.
5. Removed UAB as non-member Collaborator and clarified shipping and storage location of study samples.
6. Updated Schema

WF-1806 Document Access:

- The protocol and participant directed documents are available on the [CTSU](#) website.
- *Updated Helpful Guidelines v. 03.30.2026* , *FAQs*, *Provider Fact Sheet* and *Training Attestation* documents are available on the [WAKENCORP](#) website.

If there are any questions regarding WF-1806, please contact us at NCORP@wfusm.edu; Attn: WF-1806.

WF-1901 - IMPACTS - Internet-delivered Management of Pain Among Cancer Treatment Survivors

Update: Moving to Monthly Office Hours

Beginning in April, we'll switch from monthly Site Calls to **monthly Office Hours**. Our goal is to make the best use of your time and offer more flexibility, while still sharing important study updates!

Connect with us on Social Media!

Follow us on **LinkedIn** and **X** to stay informed on exciting new updates from the Wake Forest NCORP Research Base!

Proud to share our 2025 recap- celebrating collaboration within nationwide community-based medical research. Grateful to our investigators, site partners, and participants who make this work possible!

Wake Forest NCORP Research Base Website

Reminder: Additional resources, **which are not CIRB approved,**

are maintained on our Wake Forest NCORP RB website and **are not available on CTSU**. Note, these resources include a ***Helpful Guide*** for each study, which provides guidelines for the study team, as well as other study instructions.

Remember to update your profile to include any new studies you may be involved in

We use this information for targeting email communications and surveys.

<https://wakencorp.phs.wakehealth.edu/>

Registering for an account will allow you to:

- Join site calls and other meetings from the Upcoming Events or Calendar sections
- Access study training materials
- View previous study meetings
- Download important study documents including training videos, study guides, and neurocognitive CRFs

Once registered, you must update your user profile to sign up for study-specific mailing lists and meeting announcements, indicate your NCORP Community site, add your user roles, and update your GCP for database access.

If you have any questions or need assistance with registration, please email NCORP@wfusm.edu.
