

STUDY MATTERS

May 7, 2026

Wake NCORP Website: <https://wakencorp.phs.wakehealth.edu/>

PLEASE NOTE: If you receive a notice from REDCap about your account expiring this is most likely due to an expiring GCP certification.

You can upload new certificates to our [website](#) or you can email them to NCORP@wfusm.edu.

Upcoming Site Calls & Office Hours

Use the links below to add the meeting invitation to your calendar. You can also join site calls from our [Wake NCORP website](#). Click the call in the "Upcoming

Events" section on the Home page or through the Calendar. You must be a registered user to join from the website.

If you are having trouble joining a call or have any other issues please email NCORP@wfusm.edu

****Please note that your calendar may not update automatically if changes are made at a later date.**

WF2304-A172401 - COSMIC - Complementary Options for Symptom Management In Cancer: Assessing Benefits and Harms of Cannabis and Cannabinoid Use Among a Cohort of Cancer Patients Treated in Community Oncology Clinics

May 11, 2026 at 3 PM ET

Study Updates

(NEW!) WF-2501CD - PGA - Practical Delivery of Geriatric Assessment in Community Oncology Settings

NEW AMENDMENT ACTIVATION and Recruitment Material Available

PGA (WF-2501CD) Amendment 2, Protocol Version Date 02/23/2026 has been activated.

The WF NCORP Research Base study entitled **Practical Delivery of Geriatric Assessment in Community Oncology Settings (PGA)** has been activated. The protocol and related documents were released on April 30, 2026.

The changes and documents within this amendment must be implemented within 30 days of this posting.

Changes with this amendment include:

1. Changed “EHR Review” to “EHR PGA Abstraction” in Part 2 Pilot Study Schema, Part 2 – Schedule of Events, throughout the protocol and in the *Part 2 Pilot Study Intro*.

2. Created a NEW PGA Implementation Toolbox which contains various optional items such as flyers, handouts and summary sheets. The Toolbox will be used for Part 2 Pilot Study. Refer to PGA Implementation Toolbox | Appendix 3 for a complete list of the documents.
3. Moved “Data Abstraction” paragraph from Section 9.6.1 to Section 9.6.2 and revised content.
4. Clarified patient eligibility criteria.
5. Updated and renamed the *Part 1 Interview – Patient* document to remove references to the Part 2 Pilot Study patient information.
6. Added social demographic questions to the *Part 2 Patient Survey* document.
7. Updated NCORP protocol version date throughout the protocol, the protocol history table and clarified wording.

All protocol documents along with the recruitment materials shown were posted to the CTSU website on **4/30/2026**.

Part II Flyer (version 04/03/26): Option 1

Part II Flyer (version 04/03/26): Option 2

WE WANT TO KNOW

About your experience with cancer treatment!

Our goal is to improve cancer care for adults age 65 or older.

What will I be asked to do?

Complete a one-time 15-minute survey.

We will ask questions about:

- Communication with your care team.
- Your health, mood, and daily life.

How can I complete the survey?

- You pick how to complete the survey, online or on paper.
- Contact our team for information:

✉ [Redacted Email Address]

📞 [Redacted Phone Number]

Your answers will help us know how to improve care and support for older adults with cancer.

Scan the QR Code with your smart phone camera to visit the cancer.gov study page

PGA
PRACTICE GUIDANCE ASSOCIATION

This study is a Wake Forest/NCORP Research. Wake Forest/NCORP is supported by grant funding from the National Cancer Institute, part of the National Institutes of Health (NIH).
WF-2501CD v 04.01.2019

Sites have been selected for opportunities 1 and 2 of this study. We encourage you to consider participating in opportunity 3, the future randomized trial. A Practice Interest Form must be completed to be eligible. To request a link to the Practice Interest Form, please contact NCORP@wfusm.edu.

WF-2501CD Document Access:

- The protocol documents are available on the [CTSU](#) website.
- An updated Helpful Guide and the Introductory Webinar are available on [WAKENCORP](#)

If there are any questions regarding the WF-2501CD activation, please contact NCORP@wfusm.edu; Attn: WF-2501CD.

(NEW!)WF-1901 - IMPACTS - Internet-delivered Management of Pain Among Cancer Treatment Survivors

FINAL PUSH!

Thank you to **HI012 – Kapiolani Medical Center for Women and Children** for enrolling on April 22!

We are now **only 9 participants away** from meeting our enrollment target. Please remember that **study enrollment will close on July 31, 2026**, so we are in the final stretch and every enrollment counts.

We encourage all sites to review potentially eligible patients, prioritize screening, and help us reach our goal.

As a reminder, **each enrollment since January 2026 earns a raffle ticket toward the travel award,**

Current site participation and raffle activity include **Carle Cancer Center (IL168)** – 3 raffle entries; **Queen’s Medical Center (HI005)** – 1 raffle entry; **Illinois Cancer Center Bloomington (IL352)** – 1 raffle entry; and **Kapiolani Medical Center for Women and Children (HI012)** – 1 raffle entry, with additional entries accumulating as enrollments continue until July 31st!

Carle Cancer Center IL168	Queen's Medical Center HI005	Illinois Cancer Center Bloomington IL352	Kapiolani Medical Center for Women and Children-HI012

We sincerely appreciate your ongoing dedication and partnership in making IMPACTS a success, again, let's keep the momentum going and finish strong together!

[WF2304-A172401 COSMIC – New Spanish-language Surveys Now Available in REDCap](#)

[Aligned with \(English\) COSMIC \(WF2304-A172401\) Amendment 3, Protocol](#)

Version Date 04/01/2025 and Amendment 4 Protocol Version Date 8/1/2025

Updates to the following Spanish-language surveys have been approved by the CIRB and are available via REDCap on **April 22, 2026**.

- Spanish Cover Page and Timetable dated **04/01/25**
- Spanish PROMIS-29 Profile v2.0 dated **04/01/25**
- Spanish Experiences of Cancer Related Symptoms dated **04/01/25**
- Spanish Cannabis and Cannabinoid Use dated **04/01/25**
- Spanish CUDIT-R dated **04/01/25**
- Spanish Other Substance Use (Questionnaire) dated **04/01/25**
- Spanish Product Image dated **04/01/25**
- Spanish Self-Reported Screening Survey dated **08/01/25**
- Spanish Notifications and Emails dated **08/01/25**

Note: *If your site is enrolling Spanish-speaking participants, the Spanish language surveys will be implemented in REDCap on the day of this Broadcast.*

Regulatory requirements to activate this study can be found in the protocol on the CTSU website.

If there are any questions regarding WF2304-A172401 contact NCORP@wfusm.edu Attn: WF2304-A172401.

To request printed copies of recruitment materials, please use the WF2304-A172401 Recruitment Request survey: <https://redcap.link/WF2304-A172401.RecruitmentMaterials>

WF-2402CD - CORRECT - Collaborative Oncology between Radiologists and Radiation Oncologists for the

Evaluation of Contoured Targets

We need your help!

We have confirmed the four sites needed to participate in our pilot study; however, we are still looking for **more sites/Radiologists/Radiation Oncologists** to complete our **Provider Interest Survey** to be eligible for interviews.

Please complete this link to begin the process:

<https://redcap.school.wakehealth.edu/surveys/?s=7MHCR8AKTNP4JC4>.

Please contact NCORP@wfusm.edu with any questions.
