STUDY MATTERS

November 5, 2026

Wake NCORP Website: https://wakencorp.phs.wakehealth.edu/

Upcoming Site Calls & Office Hours

Use the links below to add the meeting invitation to your calendar. You can also join site calls from our Wake NCORP website. Click the call in the "Upcoming Events" section on the Home page or through the Calendar. You must be a registered user to join from the website.

If you are having trouble joining a call or have any other issues please email NCORP@wfusm.edu

**Please note that your calendar may not update automatically if changes are made at a later date.

WF2304-A172401 - COSMIC - Complementary Options for Symptom Management In Cancer (COSMIC): Assessing Benefits and Harms of Cannabis and Cannabinoid Use Among a Cohort of Cancer Patients Treated in Community Oncology Clinics

November 9, 2026 at 3 PM ET

Click here to add the COSMIC Site Call to your calendar

WF-2401 - STEPS-BC - Supportive Tailored Exercise Program for Survivors of Breast Cancer
Office hours

November 12, 2026 at 1 PM ET

The **11/26 instance of this meeting will be cancelled due to the Thanksgiving Holiday. Please remove this event from your calendar.**

Study Updates

WF-2402CD - CORRECT - Collaborative Oncology between Radiologists and Radiation Oncologists for the Evaluation of Contoured Targets

NEW SPANISH LANGUAGE DOCUMENT POSTED

WF-2402CD CORRECT: Collaborative Oncology between Radiologists and Radiation Oncologists for the Evaluation of Contoured Targets (CORRECT)
The Spanish Language version of the following document was posted on CTSU on October 28, 2026.

- **Consent Form,** (PVD 08/11/26): Spanish

Only sites rostered with WAKE are invited to participate.

Although the four participating sites have already been selected, we encourage all sites rostered with WAKE to engage Radiologists and Radiation Oncologists to consider participating in the qualitative interview portion of this study as well as a future trial. To be considered, please complete the Provider Interest Survey.

Amendment 2 ACTIVATION

CORRECT (WF-2402CD) Amendment 2, Protocol Version Date 08/11/2026 has been activated.

The WF NCORP Research Base study entitled **Collaborative Oncology between Radiologists and Radiation Oncologists for the Evaluation of Contoured Targets (CORRECT)** has been activated.
The protocol and related documents were released on October 21, 2026.

The changes and documents within this amendment must be implemented within 30 days of this posting.

Only sites rostered with WAKE are invited to participate.

Although the four participating sites have already been selected, we encourage all sites rostered with Wake to engage Radiologists and Radiation Oncologists to consider participating in the qualitative interview portion of this study as well as a future trial. To be considered, please complete the Provider Interest Survey.

Changes with this amendment include:

1. Revised the qualitative interview recruitment and sampling strategy.
2. Updated Interview and Selection Guides document
3. Clarified language concerning Radiologist Consultation fees.

4. Updated CTSU language based on 03/26/2026 support logistical template language documents
5. Grammar and spelling updates were made. Skip logic was corrected, and an additional response added to a question.
6. Updated protocol cover page, protocol version date/protocol history table, CTSU language, removed references to “Minority Underserved” and “minority”.

WF-2402CD Document Access:

- The protocol documents are available on the CTSU website.
- The *Helpful Guide,* Introductory Webinar*,* and other documents are available on the WAKENCORP website.

If there are any questions regarding the WF-2402CD activation, or if your site(s) are interested in participating in the provider interviews, please contact NCORP@wfusm.edu; Attn: WF-2402CD.

(NEW!)Audit Corner

Welcome to the **Audit Corner** of Study Matters - where we answer your questions and provide guidance on what to expect during Wake Forest NCORP Research Base audits.

Please send all your questions regarding audits to NCORP@wfusm.edu subject: audits.

We look forward to providing helpful guidance and answering your questions!

Wake Forest NCORP RESEARCH BASE

ARM

Advocates for Research in Medicine

Recruiting participants for the next ARM training. Help us spread the word!

Connecting patients and researchers to bring the patient voice to cancer research and improve outcomes.

ARM is seeking cancer survivors, patients, and caregivers interested in serving as advocates on Wake Forest NCORP Research Base studies.

Advocates partner with researchers to ensure the patient perspective is represented throughout the research process and to help guide research that matters to patients

Do you know someone that could be interested in becoming a research advocate?

Email us at: NCORP@wfusm.edu

NEXT ARM VIRTUAL TRAINING

November 20, 2026

1-5PM (ET)

Wake Forest University School of Medicine

Wake Forest NCORP RESEARCH BASE

NCI Comprehensive Cancer Center

CLICK HERE to register for ARM Training!

Qualitative Training Institute for Enhancing Cancer Research (CancerQTI)

CancerQTI
QUALITATIVE TRAINING INSTITUTE
WAKE FOREST UNIVERSITY SCHOOL OF MEDICINE

Wake Forest University School of Medicine's **Qualitative Training Institute for Enhancing Cancer Research (CancerQTI)** is a six-month skills development training program designed to strengthen the use of rigorous, state-of-the-science qualitative methods in cancer research. CancerQTI consists of three virtual sessions, a weeklong **(April 5 – 9, 2027)** in-person intensive at Graylyn Estate in Winston-Salem, NC, and five months of structured group mentorship to support skill development and practical application. Participants will engage in hands-on learning, receive mentorship from experts in qualitative methods and cancer research, and apply skills directly to their own research projects.

For full details and link to application: CLICK HERE! Deadline to apply is **November 15, 2026 at 11:59 p.m. EST**.

Connect with us on Social Media!

Follow us on **LinkedIn** and **X** to stay informed on exciting new updates from the Wake Forest NCORP Research Base!

Wake Forest NCORP Research Base Website

Reminder: Additional resources, **which are not CIRB approved**,

are maintained on our Wake Forest NCORP RB website and **are not available on CTSU.** Note, these resources include a ***Helpful Guide*** for each study, which provides guidelines for the study team, as well as other study instructions.

https://wakencorp.phs.wakehealth.edu/

Registering for an account will allow you to:

- Join site calls and other meetings from the Upcoming Events or Calendar sections
- Access study training materials
- View previous study meetings
- Download important study documents including training videos, study guides, and neurocognitive CRFs

Once registered, you must update your user profile to sign up for study-specific mailing lists and meeting announcements, indicate your NCORP Community site, and add your user roles.

If you have any questions or need assistance with registration, please email NCORP@wfusm.edu.
